Trial analysis

Alión's philosophy is different from Vega Sicilia's. Alión makes modern wines, 100% Tempranillo Fino. After fermentation, the wine is aged for 13 to 14 months in French new oak barrels. Then it stays for 2 years in bottle. Its style is close to modern Bordeaux Grands Crus. Both concentrated and refined, fleshy and elegant. This great wine is a tribute to the graciousness of Tempranillo.

Description domain

Alión is one of Spain's greatest wines - a classic. This is the modern top estate of the owners of Vega Sicilia (also in Ribera del Duero, some 10 kilometers away). Alión is a juicy and solid wine, with a great aging potential. Great wine indeed!
