

Urbezo Crianza 2020 Solar de Urbezo - 75 cl.

Urbezo, a regional artist and a good friend of Santiago Garcia's, was both a mentor and a source inspiration for him. The estate and most of the wines are named after the painter.

Vinification

10 months of ageing in French and American oak barrels.

Storage potential

Drink as from: 2024
Best moment: 2024-2027
Until: 2028

To serve

Serve at 18°C in a large glass, after decanting, so as to enjoy the full aromatic range of the wine.

Trial analysis

Ruby red, with traces of evolution. A southernly touch on the nose; red cherries, sweet spices, toasty notes, vanilla and pepper. More austere on the palate, solid, almost closed before some air is given. A very good balance between the freshness of the Garnacha, the juicy, Mediterranean spiciness of Merlot and the more austere notes of the Cariñena. Very smooth finish, with more than a hint of noble oak.

Description domain

Solar de Urbezo illustrates perfectly the renewal of this part of Aragón. At the instigation of Santiago Gracia, this region has been revived and modernised. The estate has been organic for some years.
