Description domain

Bàrbara Mesquida comes from a winemaker's family, but she started her own micro-estate from scratch on her own. She works in biodynamics, mainly with local grapes, in white and red. Hers is one of Mallorca's most quality-oriented projects, even if it is on a small scale. Pour Bàrbara, nothing happens by chance, everything is connected in this life, so she called her entry-level wines Sincronia.
