

## Leirana 2023 Forjas del Salnés - 75 cl.

Rodri Méndez is one of the best producers of Albariño wines in Galicia. Leirana is his entry level wine, but also the perfect illustration of his style: non frills, crisp, and sharp. Rodri mainly works with older vines, and those are put into good use, in this wine as well as in his top range (the Goliardo line).

### Vinification

Harvested in little baskets. Classic winemaking in stainless steel tanks. No malolactic fermentation.

### Storage potential

Drink as from : 2024  
Best moment : 2025-2027  
Until : 2029

### To serve

Serve chilled.

### Trial analysis

Straw colour. Lots of pear, apple and exotic fruit aromas, with a hint of fennel and a lot of minerality. Smooth on the palate, a nice acidity in the finish. Top wine, with a good ageing potential.

### Description domain

This is one of the smallest estates in Rias Baixas, but well known from the connoisseurs. Since 2005, the current generation, with Rodri at the helm, has been making super whites but also great reds with a typical Atlantic and Galician accent. Organic cultivation and vinification, minimal intervention. Definitely not wines for beginners.
