Trial analysis

Elegant, refined and complex. Traces of evolution in the colour and in the nose. A meaty, fleshy tempranillo with southernly notes and yet a Burgundian touch. A terroir wine.

Description domain

Great wines are made in the vineyard - in Rioja too. Fernando Remirez de Ganuza has an open mind and a passion for the vineyard. When he walks in his vines, which is very often, he sees details others would not notice. This makes all the difference, and you can taste it in the wines, especially when there is a 20 year-old vintage in your glass.
