Trial analysis

A wine with a strong personality. Deep and young cherry-red colour. Refined, elegant wine with a very expressive, spicy, Mediterranean nose; the wood is very well integrated.

Description domain

Ànima Negra has revolutionized Mallorcan wines. This domain gave back its luster to the Callet grape, making wines both refined and full of mediterranean character out of it. The 100% Callet Son Megre, the label of which was made by artists Miquel Barceló, is its flagship.
