

Ritme Celler, Etern 2021 Celler Ritme - 75 cl.

Ritme Celler is the Priorat project of Albert Jané of Acústic in Montsant. He wants to make honest wines here in the same way that for him reflects the appellation. Only vieilles vignes are used, coming from 6 different villages throughout Priorat. Top price/quality! Albert has been working completely organically for about 10 years.
