 **Trial analysis**
Deep red colour, with a very slight touch of evolution. Elegant and complex bouquet; fruits, terroir, leather, warmth, grilled notes, you name it. Powerful, meaty, voluminous on the palate. With air, new dimensions appear continuously. A new style Rioja without any heaviness or over-extraction, well balanced and long in the finish. Refined and with a good ageing potential.

Description domain

Great wines are made in the vineyard - in Rioja too. Fernando Reminez de Ganuza has an open mind and a passion for the vineyard. When he walks in his vines, which is very often, he sees details others would not notice. This makes all the difference, and you can taste it in the wines, especially when there is a 20 year-old vintage in your glass.
