

Las Iruelas VOORVERKOOP Collectie kist 12 fl. 2023 Comando G - 75 cl.

Mixed case 12b. "Las Iruelas 2023" Content not yet known Pre-sale: delivery in november 2025 Las Iruelas is one of Daniel Landi's "grands crus". It is located in the village of El Tiemblo, in the Province of Avila. In contrast with the other crus where the soil is made of granite, the vines of Las Iruelas grow on slate, facing East, at some 1000 m above sea-level. An outstanding wine.

Vinification

Everything is done according to Daniel Landi's recipe: biodynamics, non-interventionism; the grapes are non destemmed, they macerate and ferment whole with indigenous yeasts. As little SO2 as possible is added. All this, so as to obtain a pure and elegant wine. The ageing takes place in big vats and old French oak barrels.

Storage potential

Drink as from : 2025
Best moment : 2029 en 2031
Until : 2038

To serve

Serve at cellar temperature. Best decant before pouring in a large glass.

Trial analysis

Pale ruby colour with clear reflections, almost transparent. Red fruit, berries and garrigue spices on the nose. Both elegant and powerful on the palate, juicy tannins, a nice structure. A great Grenache, indeed.

Wine style:

Continental, elegant and mineral

Assembly

Garnacha

Region:

Madrid

Appellation:

Sierra de Gredos

Wine estate:

Comando G

Biodynamic

Description domain

Comando G is one of Spain's most prominent wine projects today. It has brought a real revolution to the wines of Sierra de Gredos.
