Trial analysis

Dark as ink, with youthful reflections. At first, very expressive on the nose - gooseberry, leather, coffee. Juicy, ripe fruit on the palate, with a good tannic structure. A second sip reveals the more austere personality of the Toro wines which made wine-lovers name them "Spain's black wines". Best decant this wine if you want it to show its full character - finesse, balance, in short, its greatness. A good example of a modern tempranillo and a wine of great potential.

Description domain

The Toro-winery of the Alvarez Family, of Vega Sicilia fame. As is the case with the other sites of the family, everything is done to produce terroirs wines from the region's tempranillo.
